MUBARAK KASIM

Backend Engineer (PHP • Laravel • Yii2 • SQL • AWS)

Tukur Tukur, Zaria, Kaduna State, Nigeria | 09068500544 | khankingmubcy@gmail.com | GitHub: github.com/mubarakkasim

PROFILE SUMMARY

Backend Engineer with hands-on experience designing, building, and maintaining secure, database-driven systems using PHP (Laravel and Yii2) and MySQL. Proven ability to deliver transaction-based and record-management platforms where accuracy, reliability, and scalability are critical. Experienced in backend architecture, system documentation, and AWS deployment fundamentals.

CORE TECHNICAL SKILLS

- PHP (Laravel, Yii2 Framework), MVC Architecture
- MySQL / SQL – schema design, optimization, reporting
- RESTful backend services & server-side validation
- Authentication, authorization & role-based access control
- AWS fundamentals (EC2, deployment & environment setup)
- HTML, CSS, Bootstrap, JavaScript integration
- Technical documentation & system analysis

PROFESSIONAL EXPERIENCE

Freelance Backend Engineer — PHP / Laravel / Yii2
2021 – Present

- Led backend development for systems including guest management, transaction tracking, and SME platforms.
- Designed normalized MySQL databases with audit-ready structures.
- Built secure CRUD modules, admin dashboards, and role-based workflows.
- Reduced manual record errors and improved reporting speed by up to 50%.

Data & Operations Systems Assistant (Part-Time)
SM Bread Bakery, Zaria | 2025 – Present

- Designed backend logic for sales and returns tracking.
- Improved daily operational visibility through structured reporting.
- Supported inventory and customer data systems.

Senior Master, ICT Coordinator & Computer Science Teacher
Nur Light Academy, Zaria | 2020 – 2023

- Coordinated ICT resources and digital academic records.
- Taught Computer Science and Data Processing for WAEC and NECO.
- Maintained examination and administrative documentation.

EDUCATION

National Diploma (ND) in Computer Science — **Distinction**
Nuhu Bamalli Polytechnic, Zaria | 2024

Professional Diploma in Computer Science
Iya Abubakar Institute of Computing & ICT, ABU Zaria | 2022

CERTIFICATIONS

- Google Data Analytics Professional Certificate (In Progress)

- Microsoft Power BI for Business Intelligence – Advanced

- Excel for Data Analysis – Big Picture Learning

- Introduction to Statistics – Microsoft Learn

SELECTED PROJECTS

- Online Guest / Customer Information Management System (PHP & MySQL)

- Sales, Returns & Operations Tracking System

- School Fee and Academic Record Management System

PROFESSIONAL STRENGTHS

- Backend-first engineering mindset

- Strong focus on data integrity and accuracy

- Clear documentation and communication

- Effective independent and remote work capability
